**Year of Issue:** 2023

**Mintage:** 1,999

**Country of Issue:** Djibouti

### The Coin

Similar to 2022's sold-out Mask of Tutankhamun, this 3 oz. silver coin features a 3D replica of the iconic bust of Nefertiti. The royal wife of Pharaoh Akhenaten also appears on the coin's concave obverse, which re-creates a stone relief found at Armana, site of Egypt's capital during his reign.
